

Our topics and books this term

Transport

Books will include:

Amazing Aeroplanes transport collection
Hundred Double Decker Bus by Mike Smith

Summer:

Billy's Bucket by Kes Gray
Sharing a Shell by Julia Donaldson
Gorilla Loves Vanilla by Chae Strathie

PSED

We will be thinking about the best way to look after our bodies, including a good sleep routine and brushing our teeth.

We will be talking about our feelings as we move into Year 1, talking about the transition process and taking part in a transition day.

Grove
Primary School

EAD

During our Let's Go topic we will:

- Make ice lollies,
- Make a mode of transport,
- Use different textures to make sun hats.
- Role play different experiences, e.g. going to the airport, going to the shop, going to the hairdressers

MATHS

This half term in Maths we will be focusing on:

- Matching pennies to the correct amount up to 10p.
- Number bonds to 10.
- Doubling
- Composing and decomposing shapes
- Odd and even numbers
- Looking at tessellating and non-tessellating shapes
- Addition and subtraction number stories
- Timing actions using timers

Computing

We will be introduced to laptops, learning basic computing skills through making our own summer blogs.

Literacy

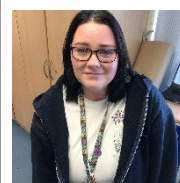

During literacy we will be writing for a purpose, this will include;

- writing postcards
- writing lists
- writing letters
- making posters

We will continue to practise forming letters with control. The children will be practising writing short words, phrases and sentences, beginning to think about finger spaces, capital letters and full stops.

PSHE

Changing ME

Children will think how we have changed since we were babies and begin thinking about feeling as we transition into year 1.

Forest School

We have forest school every Monday afternoon. Please send your child to school in their own clothes on this day that you don't mind getting dirty. Please keep a pair of wellies and spare clothes in your child's locker at all times.

Past and Present

We will be looking at:
Different transport that was used in the past and how it has evolved throughout the years.

Please talk to children about things that have happened in the past to help understanding of past and present moments.

Understanding the World

We will be looking at changing states in materials. This will include freezing water into ice cubes, making ice lollies and adding water to sand and watching it change. We will also be looking at changes in the weather and what outfit is best appropriate, this will include packing a suitcase for a holiday of our choice.

INFORMATION

PE day Friday

Please ensure children are in their school PE kit and jewellery is removed.

Reading books

Please ensure your child brings their book bag **every day** to school as we hear them read regularly.

Record any reading you complete at home in their reading logs.
