

English

In the upcoming Autumn term, our Year 1 students are in for a treat! Our little learners will embark on a journey through the enchanting world of classic children's tales.

The children will focus on incorporating essential writing elements into their work. They will learn the importance of capital letters, finger spaces, and full stops, enabling them to craft well-structured and coherent sentences.

Reading will be a daily delight with our 1-hour reading lessons. The children will sharpen their reading and decoding abilities using the Read Write Inc. (RWI) phonics scheme. This will empower them to decode words with ease and build fluency in their reading. With a perfect balance of imagination, creativity, and literacy development, our Year 1 students are all set to make the most of this Autumn term!

RE

Through engaging activities, we will discover the key beliefs, traditions, and practices of Christianity, with a focus on local places of worship and community involvement. This exciting journey will foster cultural appreciation and respect, nurturing their spiritual growth and encouraging empathy towards others' beliefs.

Geography

In Geography we will be focused on our local area. Children will learn about the locality in which they live and be able to identify significant local features. This topic will include a short trip around our area to learn more about landscapes and significant landmarks. This fun lesson will allow the children to explore maps and the world around them!

PSHE

Our young learners will explore the theme "In My World." They will develop a deeper understanding of their community, family, and environment. Through engaging activities, they will learn about kindness, empathy, and cooperation. They will also be encouraged to express their thoughts and emotions, fostering a positive and inclusive classroom environment.

Primary School

Art

In the Autumn term of Year 1 Art, our young artists will embark on an exciting journey exploring the concept of mark-making. Through various engaging activities, they will experiment with different tools and materials to create expressive lines, patterns, and textures. This playful exploration will nurture their creativity and fine motor skills while encouraging them to communicate and express themselves visually.

MATHS

In the exciting Autumn term of Year 1 Maths, our young learners will embark on a fascinating journey into the world of numbers! Throughout the term, they will delve into the realms of numbers 1-20, mastering the art of reading and writing them with confidence. Addition and subtraction will be explored, paving the way for a strong foundation in basic arithmetic.

But that's not all! Our curious minds will also venture into the captivating realm of shapes, discovering their unique attributes and properties. From circles to squares, triangles to rectangles, the children will grasp the fundamentals of geometry.

Get ready for an enriching Autumn term, filled with mathematical wonders and discoveries that will spark a lifelong love for learning!

MUSIC

In the Autumn term of Year 1 music, our young musicians will explore the vibrant world of hip hop! Through engaging activities, they will learn basic rhythms, movement, and create their own rhymes. Get ready for an exciting musical journey filled with rhythm and fun!

SCIENCE

In the Autumn term of Year 1 Science, our young explorers will embark on an exciting journey exploring "Our Body." Through hands-on activities and engaging lessons, they will discover the human body's basic anatomy, the five senses, and the importance of healthy habits. From fun experiments to interactive games, the children will gain a deeper understanding of themselves and the amazing world within!

COMPUTING

This Autumn, the students will become treasure hunters! They'll explore problem-solving by programming Bee Bots to navigate exciting challenges. Get ready for a thrilling journey as these young minds develop essential coding and control skills.

INFORMATION

PE days are Monday and Wednesday

Please ensure children are in their school PE kit and jewellery is removed.

Reading books

We hear all children read weekly and reading books are changed regularly.

Please make sure your child brings their reading book and Reading Record to school every day.
