

MATHS

Welcome to Spring 1 in Maths! This term, our young learners will dive into the world of numbers up to 50, mastering addition and subtraction with fun and engaging activities. Get ready for exciting challenges that build strong foundational math skills. Our explorers will also discover the wonders of shapes and volumes, sparking creativity and critical thinking. Through hands-on experiences and interactive lessons, we aim to make learning an enjoyable adventure. Parents, thank you for your support as we embark on this mathematical journey together!

PSHE

Get ready for an exciting Spring 1 in PSHE! Our little dreamers will embark on a journey of self-discovery, exploring aspirations and setting achievable goals. Through fun activities and discussions, we aim to inspire and empower children to dream big. Parents, join us in nurturing their dreams and supporting the path to success. Let the adventure begin!

Art

Get ready for a burst of creativity! Your young artists will explore the wonders of colour creations, drawing inspiration from the renowned artist Kandinsky. Through vibrant activities, they'll paint, mix, and experiment, discovering the magic of hues. Your child will embark on a colourful journey, nurturing their artistic spirit.

English

Get ready for an exciting Spring 1! In Reading, your child will soar through the RWI scheme, mastering new sounds and achieving fluency. Writing takes a chilly turn as we focus on winter and cold places, sparking creative expression. Expect enchanting tales of frosty adventures! We're delving into shape poems, turning words into art. Plus, we're beginning our journey into adjectives, adding vibrant colours to their descriptive skills. Embracing the season's beauty, we'll intertwine nature with our literary explorations. Your involvement is key, so join the fun at home! Look out for progress updates and special activities.

RE

In Spring 1 RE, our children will explore intriguing questions from Christianity, Islam, and Sikhism. Engaging with religious books and stories, they'll discover the wisdom and values within each faith. Through vibrant activities, we aim to spark curiosity and foster respect for diverse beliefs, encouraging a deeper understanding of the world.

MUSIC

Explore rhythms, instruments, dance, and musical stories. Collaborate, discover genres, and express emotions. Enjoy the journey with 'In the Groove'—a musical adventure awaits your child.

SCIENCE

Exploring Spring's wonders, children will observe changing weather, identify seasonal patterns, and learn about nature's transformations. Engaging activities include weather chart creation, plant growth experiments, and outdoor observations. Through hands-on experiences, we aim to foster curiosity and understanding of the fascinating science behind seasons and weather.

COMPUTING

Exciting times ahead in Spring 1 Computing! Our young artists will explore digital creativity, discovering the magic of digital tools to craft imaginative masterpieces. From pixel art to graphic design, they'll unleash their creativity in a fun and interactive learning journey!

Geography

Get ready for an exciting journey! This term, our young explorers will delve into 'People and Their Communities' in geography. Through engaging activities, they'll learn about diverse cultures, local landmarks, and the importance of community. Watch as their curiosity and understanding of the world blossom this spring.

INFORMATION

PE days are Mondays and Wednesdays

Please ensure children are in their school PE kit and jewellery is removed.

Reading books

We hear all children read weekly and reading books are changed regularly.

Please make sure your child brings their reading book and Reading Record to school every day.
