

Dear parents/carers

I hope this letter finds you all well and that you had a good break. As some of you may know, we had Ofsted inspect the school in May and we are now delighted to be able to share the report with you. It was an overwhelmingly positive report, and I cannot tell you how proud I was to be Head of the school. Our site manager, cleaners, lunchtime supervisors, kitchen staff and teaching staff all played their part in allowing us to demonstrate to Ofsted what an excellent school we have. But of course, the most positive aspect of the school are your children, and this is also fully recognized in the report.

So, I have attached the report for you to read and I hope you will feel as proud of your children and school as I do. Please can I remind you to take care driving outside school. I know it is congested, but there is nothing we can do about the size of the road, so I would urge you all to be patient and considerate to other drivers and especially the children. Now the weather has improved, I would urge as many people as possible to walk to school as this will help the situation.

You will also be receiving lots of information about the many things happening in school as we come to the end of the year. Please look out for any communications from your class teacher, but here are some dates that you need to know:
